

Home Away from Home Covid19 Policy & Agreement

Parents need to wear masks when they enter the daycare, and remove shoes before entering the daycare.

In order to keep all families safe from this pandemic HAFH has put policies into place in regard to covid-19. All families enrolled and newly enrolled families must follow all policies listed below:

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness. Symptoms may appear **2-14 days after exposure to the virus**. People with these symptoms may have COVID-19, and need to keep their children home unless you have a Dr. note. If your child has any of these symptoms, they will be sent home, and you will need to pick them up within an hour of being called. Your child cannot return unless they have a note from a Dr. clearing them to return to daycare. There will be no exceptions!

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

In any instance where your child is absent due to COVID-19 tuition payments are still due as long as you want to continue to hold your spot at HAFH. I am taking all precautions necessary to stop the spread of COVID19, and still need to keep my business afloat as well. If you agree to these rules please sign below, and Thank you for your participation, and efforts in stopping the spread of COVID-19.

Thanks again,
Nichol Brace
